

How to access podcasts with an ANDROID Device

1. Click on “Market” icon
2. Download “BeyondPod” podcast manager application. This is a free application.
3. Go to apps page, open BeyondPod
4. Push menu button
5. Click on add feed
6. Type in feed address
7. Click find
8. Go to feeds button and clicked on Nursing Research; you should see all three podcast.
