

ON YOUR MARK!!!

Volume 1 no. 3

July 2009

Do you have a unit-based research group? If so, please fill out an [update-form](#) to keep the Nursing Research Committee abreast of current projects. Interested in what others are up to? Check out these [ongoing projects](#) around campus!

Get Ready...

What about shared governance and EBP?

"The use of evidence-based practice (EBP) principles requires inquisitive professionals who aren't afraid to question the status quo. Nurses engaged in EBP need solid decision-making skills with the ability to ask relevant questions, critique research studies, examine research findings, and ascertain patient preference within the context of busy clinical practice." Zuzelo, McGoldrick, Seminara, Karback (2006).

Get Set...

How do I submit to the IRB? You submit electronically via an online program called Aria (you must have a username and password to access the system).

*For more information on how to get started on a research project, see these [FAQs](#).

Congratulations!!

Go!!!

Presented at the Association for Professionals in Infection Control and Epidemiology 2009 Annual Conference: Michele Honeycutt, Sabra Curry, Gail Goins, Dana Fugitt and Christy Wisdom.

Kudos to all [these folks](#) on their recent accomplishments!!
