

ON YOUR MARK!!!

Volume 1 no. 4

October 2009

Do you have a unit-based research group? If so, please fill out an [update-form](#) to keep the Nursing Research Committee abreast of current projects. Interested in what others are up to? Check out these [ongoing projects](#) around campus!

Get Ready...

I was asked to write an article on the Institutional Review Board (IRB) and what it means to ACH clinical staff who also have an interest in research. As a research coordinator here at ACH and also a member of the IRB, I see both sides of the "coin"...

The IRB – It's Not a Four Letter Word. Pam Killebrew, RNP, CCRC, Research Project Manager. Click here for [full article link](#).

Journal Club 101: Breaking down a qualitative research article. [Check it out!](#)

Get Set...

Evidence-based practice is a clinical problem-solving approach that incorporates the best available evidence with the professional's clinical expertise and the patient's and family's values and preferences. Read more on [Finding the Evidence](#).

*For information on how to get started on a research project, see these [FAQs](#).

Congratulations!!

Go!!!

Presented at Arkansas Children's Hospital Research Institute Research Day. Arkansas Children's Hospital. Little Rock, Arkansas. August 19, 2009: Amy Huett, Luann Jones, Janie Kane and Sharon Stevenson.

Kudos to all [these folks](#) on their recent accomplishments!!
