

Science Writing and Editing

Publishing and publicizing your accomplishments are essential obligations that we at the Arkansas Children's Hospital Research Institute and the UAMS Department of Pediatrics share with you. We also know that obtaining and maintaining funding requires good writing. These are the reasons why we offer ACHRI researchers and Department of Pediatrics faculty on the ACH campus editing and writing services free of charge.

For grant applications

- Discuss your research interests with you
- Edit your basic or clinical research proposals
- Format documents to improve appearance, consistency, readability, and fit to space
- Offer suggestions to improve overall presentation of text, figures, and tables
- Critique adherence to application guidelines
- Alert you to funding opportunities of interest

For manuscripts

- Assist with planning, developing, and submitting your manuscript
- Provide a draft template based on journal guidelines
- Find a source to submit the manuscript
- Conduct a literature search and construct an electronic library
- Revise, rewrite, and format manuscript for maximum readability

Provide workshops on

- Finding and evaluating funding opportunities
- Preparing grant proposals
- Writing and editing strategies
- NIH submission and review processes
- ACHRI's intramural grant programs
- Publishing your research

Promote your research

- Featuring your endeavors in our newsletters and annual reports and at our Web site
- Providing your accomplishments to ACH Public Relations, ACH and ACHRI supporters, and ACH, ACH Foundation, and ACHRI Boards of Trustees

For presentations, posters, and abstracts

- Help you prepare a poster or abstract
- Review or edit your presentations
- Turn an abstract or poster presentation into a manuscript
